6-Hour Supplement to 40-Hour Divorce Mediation Training

Applicants to the roster who have been trained in a 40-hour out-of-state mediation training or who took the 40-hour New Jersey mediation training more than five years prior to applying to the roster, and who otherwise qualify under this rule, must further attend a six-hour supplemental course approved by the Administrative Office of the Courts. The courses shall include, but are not limited to, training in facilitative methods, case management techniques, procedural requirements for an enforceable mediated settlement, NJ Rules and mediator ethics, Guidelines for Mediator Compensation, the Uniform Mediation Act and mediation case law. **THIS CLASS MEETS ALL THESE REQUIREMENTS AND HAS BEEN APPROVED BY THE AOC ACCORDINGLY.**

This class also serves as a refresher for anyone who has taken basic divorce mediation training. We will share information on updates to family law and have great conversations. It meets the AOC's 4 hour annual CE requirement for those already on the roster, and also provides continuing legal education credits. The only prerequisite for this class is that you should have taken a basic divorce mediation training class. We will consider exceptions, upon request.

Program

- Multi-disciplinary faculty who serve on the New Jersey's divorce mediation roster for 1:40 cases.
